Teacher Effectiveness for Language Learning

PHYSICAL ENVIRONMENT

SELF-ASSESSMENT

Tead	her:	Date:				
Effective language learning experiences are carefully orchestrated by a teacher working with students to create an environment where they are safe and can flourish and that can support the identified learning performance objectives. What is essential in creating a highly effective learning environment? During this self-assessment, be sure to consider evidence from your practice to support your reflections. Once you have completed the self-assessment, review the outcomes with a critical friend, mentor, or supervisor. An open and honest conversation about your performance vs. ratings helps to clarify rationale for levels selected and will help you to set goals. Reflect on your current performance level of the indicators below. N = I do not do this. S = I sometimes do this. M = I do this most of the time. C = I do this with confidence.
