LEARNER ENGAGEMENT
SELF-ASSESSMENT

Teacher:		Date:	

A criterion identified in the *Teacher Effectiveness for Language Learning Framework* addresses the need to "to capture my students' energy and commitment." (LE2) What strategies do you use to effectively engage learners? During this self-assessment, be sure to consider evidence from your practice to support your reflections. Once you have completed the self-assessment, review the outcomes with a critical friend, mentor, or supervisor. An open and honest conversation about your performance vs. ratings helps to clarify rationale for levels selected and will help you to set goals.
