

PERFORMANCE ASSESSMENTS

Professional Learning Processing Guide

This processing guide is designed to provide teachers with a self-moderated professional learning experience through deepening their understanding of *Conducting Performance Assessments*.

Effective language learning experiences are facilitated by the use of assessment strategies that allow students to demonstrate what they can do with what they know and to receive helpful feedback that advances the attainment of the performance objectives. The Performance & Feedback domain of the *Teacher Effectiveness for Language Learning Framework* identifies the characteristics and behaviors exhibited by a model world language teacher and supports the need for *Conducting Performance Assessments*.

This Professional Learning Processing Guide will take you on a growth path that will lead to a better understanding and a plan for implementation of effective strategies for *Conducting Performance Assessments*. You will be interacting with the following resources designed to support your professional learning. As you progress through this guide, you will explore your initial understanding of the topic, dig a little deeper into the topic, explore and try a new strategy or two, and see what it could look like in a classroom.
